

Institution Distinctiveness

Shahu Shikshan Sanstha is an important educational institution in the state of Maharashtra.

The Vasundhara Arts College of this institute is located at Solapur. Shahu Shikshan Sanstha is an important educational institution in the state of Maharashtra. The institute is located at Twin Solapur. This place is known as the extended part of Solapur. The college has provided facilities for higher education to the students of Haddadwad area and surrounding villages.

The college strives to create a sense of service, including professional value development and skills, for the empowerment of economically backward students through education, research and expansion, nurturing innovation, leadership and national development. The students of this college are from lower classes and the college provides them with facilities for higher education. The original motto of Shahu Shikshan Sanstha is "Tamso Ma Jyotirgamaya" which means from darkness to light.

The college's vision is to "make rural, socially and economically disadvantaged students Self-reliant from quality education". The goal of the college is to develop its own potential to cater to the Diverse needs of the students and stake holders, as well as excellence through quality education.

College management and every component work on this with priority. The college is constantly working to increase the employability and skills among the students.

Most of the students are from low income groups in the society. Most of them live in slums and are first generation learners in their families. The institute works on student who are academically very weak.

The college admitted them without any merit list. The college sincerely works on the improvement, development and empowerment of these students. The college is sincerely striving to develop them with academic, employability and life skills. The result of the efforts of the last five years is that

Ms. Rathod Swati won three gold medals and Miss. Vidya Koli got number in the merit list of the university. The college offers various courses, Short term and value added training courses, in the fields like competitive examination and human values courses.

However, the competent area of the institution is to empower the students from economically weaker section through skills education and act accordingly. The college staff are role models in the city to excel in their respective fields.

they regularly guide as well as interacts with the students. Their focus is always on the learning objectives and the outcome so that the college can focus on its shortcomings and formulate perspectives and strategic plans according to their suggestions. The institute has

started skill development courses as per the need and demand of the time every year.

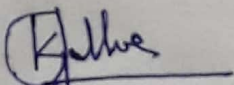

Such as

1. Police pre-recruitment training,
2. Competition Exam Guidance Center,
3. Guidance of various experts to know the employment opportunities,

Various Short term courses may include the following courses

1. Certificate course in Modi script
2. Certificate Course in Tourism
3. Certificate Course in Tally
4. Certificate Course in Marathi

The institute has entered into a memorandum of understanding to conduct and approve the police pre recruitment traing course. In it, a memorandum of understanding has been signed with "Asha Pratishtan" for pre-training for recruitment of students in Maharashtra Police Services. As a result, many students have been recruited into the police service. The pre-recruitment police training Course is playing an important role in recruiting our students into the security forces. These students are making a significant contribution to the empowerment of the country. Some students became officers. Some have joined a private security company. The college has organized "Employment Enhancement Programs". In which professional skills, soft skills, interview skills and group discussion skills of students were developed. In addition to this, fashion designing, beauty parlor course certificate courses have been made available to give scope to other artistic talents of the students. Courses like Elementary Course in Spoken English are boosting our students ' confidence to communicate. The Tally course provides practical knowledge and career opportunities in accounting. Certificate courses in translation, Brahmi and Modi calligraphy, journalism are paving the way for our students. The college is running two special courses 'Banking and UPSC / MPSC Class' which are expanding the horizons for students to become successful in government and private field . The aptitude and reasoning ability of these students has increased tremendously. The short term courses and skill oriented training programs education training of the students is prepared in all ways. Learn skills like tailoring, mehndi, cooking. Training is given in hairstyle, rangoli making, embroidery, etc. Seminars and workshops have also been conducted to increase student participation in research. Anand Masal Khamb, a student of our college , had bagged so many prizes in elocution competitions all over Maharastra .
