**Systems and procedures for maintaining and
utilizing physical, academic and support facilities.**

The institution has established the following systems and procedures for maintaining and utilizing physical, academic and support facilities.

Laboratories: We have well equipped Geography, Chemistry, Physics, and Botany zoo and computer laboratories. And In the beginning of every academic year these departments demand the necessary laboratory equipment which are provided after the approval of the purchase committee. Library: Every year the library purchases textbooks, reference books after taking approval of the Library Advisory Committee. The proper account of students and staff on daily basis is maintained. The books in bad condition are got bound every year. The question papers of all the courses imparted by the institution have been uploaded for the benefit of the student and staff. The library is under CCTV surveillance. The librarian with his supporting staff helps the students and the faculty in terms of searching the proper reading material and lending it to them. Also the online journals are subscribed along with INFLIBNET and there is MOU with NAB for differently abled students also the recorded material is prepared and distributed to the needy students, the internet facility along with computers is provided to the students.

Playground: The institution after the approval of the Gymkhana Department purchases sports equipment, and dress kits for the sports students which is recorded in the register kept by the department. Our spacious playground is under surveillance of CCTV. The Gymkhana Department organises intercollegiate competitions and interclass competitions every year, including matches for the staff. The gymkhana is well equipped with sports equipment which are maintained by the gymkhana committee with the help of the sports students. The administrative staff also helps in the maintenance of the playground.

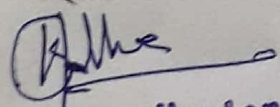

Computers: Computers are used for various academic and administrative purposes. All the computers, except the one in the Department of Physics, have internet. There are four printers in the office, while there is one computer each in the library, IQAC room, and gymkhana. Classrooms: There are 21 classrooms in the institution. There are 3 LCD Projectors and 3 smart boards in the college – All the classrooms are well equipped with desks, boards, electricity, etc. They are maintained by administrative staff of the institution. The following table shows the facilities available in the institution and the firm/person concerned with their maintenance.
