

Name of the Department: Zoology

Details of Infrastructural Facilities:

Major Equipment's-

- Microscopes
- Animal Specimens
- Charts
- Models
- Chemicals and Glassware's

Other infrastructural Facilities:

- Well-developed Laboratories
- Departmental Library

Teaching Methods:

- Lecture method
- Field Method
- Experimental Method
- Project Method
- learning by doing Method
- Question answer method

SWOC Analysis

Strength:

- Experience and exercise-based teaching-learning
- Zoology is becoming the pivotal subject and its interdisciplinary relevance is increasing
- Organizing a number of seminars

Weakness:

- Lack of Animal House
- Insufficient Laboratory Space

- Poor communication skill of the students

Opportunity:

- Scope for field-based research activities
- Scope for forest services.
- The department has no collaboration with other university.

Challenges:

- Due to ban on dissections of animals the students cannot get proper practical skill.
- Poor communication and soft skills

Future Plans:

- Opening of research laboratory
- Overall improvement of departmental infrastructure
- Study tours to national institutes
- To start certificate course in zoology field.

Faculty Profile

Sr. No.	Name	Designation	Qualification	Experience	Photo
1	Mrs. A. S. Sutrave	Assist. Prof.	M.Sc.B.Ed.	07	
2	Mrs. F. A. Murdi	Assist. Prof.	M.Sc.	05
